

Amendments to the Drawings:

The attached sheet of drawings includes changes to FIG. 1. This sheet replaces the original sheet. In FIG. 1, the reference number for executable files has been changed from reference number 26 to reference number 25 to match FIG. 2 and the corresponding text in the application.

Attachment: Replacement Sheet
Annotated Marked-Up Drawings

REMARKS

Status Summary

New claims 43-78 are pending in the present application, claims 1-42 having been canceled. Claims 43 and 61 are presented in independent form.

Specification

The specification has been amended to correct minor typographical errors discovered by the Applicant prior to examination. The amendment to the specification is made to place the application in better form for examination. Applicant respectfully asserts no new matter has been included as the changes merely address minor typographical errors. Additionally, the Abstract has been amended to reduce the number of words in the Abstract such that the Abstract does not exceed 150 words in length.

Drawings

Sheet 1 of the drawings have been amended to correct a minor typographical error discovered by the Applicant prior to examination. The amendment to the specification is made to place the application in better form for examination. Applicant respectfully asserts no new matter has been included as the change merely addresses a minor typographical error

Claims

Claims 43-78 have been added. This preliminary amendment is made to place the application in better form for examination. Applicant respectfully asserts no new matter has been included.

CONCLUSION

Applicant earnestly requests examination of the pending claims at an early date. It is respectfully submitted that the application is considered in good and proper form for allowance, and the Examiner is respectfully requested to pass this application to issue. If in the opinion of the
